

Course Description

L-146 Homeland Security Exercise and Evaluation Program (HSEEP)

Description:

This is an intermediate-level course designed to describe the core principles and processes of HSEEP, its standardized methodology, available resources, and practical skill development, which will assist in developing an HSEEP consistent exercise program. The objectives of the course are to understand the role of HSEEP in National Preparedness, and how HSEEP exercise principles and methodology support efforts across the whole community to improve our national capacity to build, sustain, and deliver core capabilities.

Course Modules & Objectives:

Module 1: Introduction - purpose, background and scope of the HSEEP training course.

Module 2: Exercise Program Management - fundamentals and providing the foundations to manage a self-sustaining HSEEP.

Module 3: Design and Development - conceptual and logistical differences between the design and development discussion based and operations-based HSEEP exercises.

Module 4: Conduct - successfully executing discussion and operations-based HSEEP exercises.

Module 5: Evaluation discussion - evaluation of operations-based HSEEP exercises to identify areas for improvement

Module 6: Improvement Planning – how to develop and implement improvement plans to increase preparedness.

Target Audience:

Individuals involved in exercise programs and/or exercise design, development, conduct, control, evaluation, and improvement planning.

Length: 16 Hours
